| Email contact   |  |

## Sustainable Development Goals

The [2030 Agenda for Sustainable Development](#), adopted by all United Nations Member States in 2015, provides a shared blueprint for peace and prosperity for people and the planet. How does your company contribute to a better world?

## Connection to Innovation and University

**Note:** to qualify your company/project for a workspace at Switzerland Innovation Park(s), there must be a connection to a university or a research institute in Switzerland. If there are several connections, please focus on the most important ones.

|  |   |
|--|---|
| Already in contact with a swiss university / research institute?   | Yes      No<br>If no:<br>- requested?      Yes      No<br>- to whom?<br>(name of the university, research institute)<br>If yes: please go on. |
| Connection to university or research institute in Switzerland?<br><i>Name of the universities/<br/>Research institute and contact<br/>institute/person</i> |   |
| Type of connection<br><i>cooperation in research?<br/>Financed PhD?<br/>Others – what?</i>   |   |
| Timing<br><i>past – when?<br/>ongoing – until when?<br/>planned – when?</i>  |   |
| Date   |   |
| Signature  |   |

We will verify your interests in the Innovation Park Zurich and will give you an answer in four weeks the latest. We will keep your information in confidence.

Please send the this paper to:  
Switzerland Innovation Park Zurich, Wangenstrasse 68, 8600 Dübendorf or
